### Vocab Express Challenge

Vocab Express is a website for all of you out there wanting to learn new languages. As a school we recently competed in The Vocab Express Global Competition 2014 which included lots of languages which many students participated in and as a result many students gained certificates and as a school we came 3rd! The competition was worldwide which is obviously a massive success for us! Overall vocab express has helped many of us with our language learning. All I have to say is that if you find your language speaking hard use Vocab Express as it will help you a lot. Luke Machin (Year 9)

### Spelling Bee

Going to Manchester to participate in the spelling bee language competition was an interesting and fun experience. I enjoyed watching other people spelling out words because it made me and my team mates more confident as there was really nothing to be nervous about. I was proud of all of us as we were very surprised to be recognised and given this opportunity. There were delicious cake and strawberries for us all to enjoy throughout the competition too. The experience overall was fantastic and I have learned some many new words and improve my spelling in French

### Year 8 Trip: Cornerhouse and Café Rouge!

Last Friday we watched 'MicMacs' at the Cornerhouse cinema in Manchester. I really enjoyed the movie. It was very funny and exciting. When we arrived at the restaurant I thought the food smelt, "genial!" I really enjoyed the food it tasted, "délicieux!" I really enjoyed the crème brûlée. Overall it was a great trip and I enjoyed it very much Tegan Maguire (Year 8)
